Administrators Message

First off, some accolades to mention: your new Moose of the Year is Janet Jensen. We all know and appreciate her but I can assure you that she's a much bigger part of our success than most are aware of. Every successful lodge has someone like her who does the busy work, the behind the scenes stuff, the important tasks that most don't see. In short, she is very deserving of this and I hope we all appreciate what she does for us. Then there's Chris Lenocker who just received his Fellowship degree from Moose International at our recent state convention. As a past president and long-time board member, he certainly earned his "blue coat" and we are all very proud of him.

Here are a few dates of note:

- 10/1 Memorial for Joan Thorne
- 10/6 Friday night bingo with Judy
- 10/13 Enrollment ceremony for new members
- 10/14 Christmas in October
- 10/21 Saturday night Big Bash Bingo with Tony
- 10/28 Lodge/Baby Boomers Halloween party
- 10/29 Kid's Halloween party

**No hibernating thru fall and winter
Come down to your lodge
Enjoy and support it**

Also, I believe Miss Patty is implementing a lady's night on Fridays. Half off drinks for the women and other entertainment so please consider joining her for that.

As your membership committee chairman, I can report that we have 604 active members as of press time. For you new or newer members, you should try to make it to the new member enrollment ceremony on 10/13 at 6:30. It's a casual dress, low participation hour or so where you can learn about the history and core values of the moose fraternity. We'll show a short video and enjoy a couple of guest speakers. There may even be some giveaways involved so I hope to see anyone who hasn't been to one of these to stop by and perhaps see what we're all about.

Finally, a big thanks to folks like Sandi and Roger who have been doing dishes all month, bar manager Ken for handling the many issues of the social quarters, and Leo and his officers for taking care of business behind the scenes. I know we're not perfect, but just know that it's not from a lack of effort. Please let them and the others know that we appreciate their contributions.

**Don't forget all members in good standing
are invited and encouraged to attend the meetings**

**Thank You
Steve Waters
Administrator**

Presidents Message

Hello Moose family,
It looks like fall is coming and football season is here.

There are couple things I'd like to talk about. I have been told by multiple people that it looks like so many people have forgotten our fraternal obligations that we signed when we became a new member. In my view it is our obligation as members to make the Lodge better. That can mean a lot of things, Joining our board and holding your obligations for your term and volunteering which can be anything from yard work, cleaning the facilities, cooking, doing dishes, waitressing, or helping with Moose functions. Memorials and Members parties need setup and cleanup. The second issue that has been brought to my attention has to do with the general laws section 48.2. The use of any tobacco or smoking device, including E cigarettes is strictly prohibited at any time in the Lodge. So please keep those two things in mind !

I'd also like to include that if you're reading this letter you have The Moose call in front of you. Please take a little bit more time and read through the upcoming events and menus. If you have any questions, please feel free to ask any board member or bartender, they may know your answer or be able to direct you to the right person.

Thank you
Leo McIntyre
President

Please join us for the Lodge Meetings October 11th & 25th at 7: 30 PM
