Administrators Message

"Tis the season for being jolly, getting fir needles all over the house, and, worse, having to find just the right gift for friends and family. There is a solution, however. Give the gift of Moose. That's right, for a mere \$70 you can give someone a year's worth of access to one of the most unique institutions around and a true fraternal service organization. Just recently, we've been able to support a local veterans outreach thanks to Randi Reed's efforts during our Veterans Day festivities. And thanks to everyone for their donations to support our latest food drive for Margaret Scott school students, especially to Janet Jensen, Patty Waters, and Nancy Parker for their help. Also, Snocap continues to receive the food and clothing that you members continue to bring in. There's still time for toy drive donations if you can help us out, too. Any unwrapped toy or monetary donation will go to the Ronald McDonald House this year. There's a lot going on this month so check out the events calendar and swing on by.

Thank You
Steve Waters
Administrator

Many families need help this time of year, what with cold weather making utility bills go up, children wanting toys for Christmas and an old fashion Christmas dinner on their mind. Lets not make them choose toys over food or food over heat. We are collecting new toys, new socks, underwear, gloves, new blankets and pantry items that would work well in a care package. Cash works well too, we have shoppers willing to shop for you. Thanks for your help and don't worry we've got your back too, should you ever need a care package or even just a friendly ear and a hug.

Don't forget all members in good standing are invited and encouraged to attend the meetings
