## Treasurer Message

Letter to the Editor... *Hello, you are on the air !!!*

I would like to make a few brief points. This will not be about thanking everyone for helping out, or we need more volunteers, etc...blah, blah, blah. (we hear that everyday).

Since we have come out of shutdown due to Covid, we have been operating with a volunteer staff to maintain the daily operations of the Lodge. We should be proud of that. Everyone that has participated, hold your head high! The Lodge is still open! May I suggest a new approach, instead of "Volunteers", we are looking for "*Team Members*" who would like to help lead us on to the future success of Moose Lodge 1891.

We now have "favorite dinners" (based on revenue) that we need *Team Members* for. Note: based on total \$\$'s and listed by dates per month. These dinners are our staples. **(1) Monday's - Smash Burgers (could change for summer) (2) Thursday's - Taco Night (3) Once a Month - Broasted Chicken (4) Once a Month - Meatloaf (5) Once a month - Chicken Fried Steak** We must keep our kitchen going, it is our lifeblood.

*All Team members will be trained and know what to expect for their participation. We should not only put out a quality product but have fun doing it. We can do it! But as we always say, we need new and exciting menu items, please bring us your vision of a fun night/dinner, and we can scale it up for all the members to enjoy. **Make your favorite homemade meal the Lodges as well.***

We also need "*Team Members*" for the Following:

**(1) Landscaping:** "Operation Curb Appeal" **(2) General maintenance:** When needed (If you are a Tradesman or have special skills) and willing to help & share your knowledge when needed. **(3) Mentor's:** Probably the most important of all Teams. The members that have put in their time and now should get to relax. We should get to know them, and all listen to how they made the Lodge what it is today. **And thank them.**

I have a Positive Vision for Moose Lodge 1891, and I hope all you members that read this do as well. I hear how everyone is "Burnt out" etc. I don't buy it...It's the Fourth Quarter and we need to suck it up and get going or we lose. I don't like losing or quitting. If we get more members to come in for a visit, it will drive up Revenue, and we will be able to employ full time Cook's, Bartenders (the face of our Lodge), etc.

And I hope you notice that I am proud not to be "Anonymous".

I hope this finds you and your families well.

*Patrick Shaw*

Treasurer

Please stop by for a visit. (and don't forget to show your Moose card to the Bartender, it is required). Read the rules.

If you really want to do something,  
you will find a way.  
If you don't,  
you will find excuses.
