Presidents Message

Hi Moose family it is March and the Moose year is winding down. We need names in the box for the new board, so step up and join us in making our lodge a success in the 24-25 Moose year. Hope you all had a good time at our events in February and hope to see you at our March events. We are trying to have lots of options for you to come down and enjoy. The weather should be getting nicer and we will be doing some clean up and maintenance around here(we would love some help). Spring is coming, let's support and enjoy our lodge.

Thank you

Women of the Moose Message

Hello Moose Friends. We have been very busy this year. A huge thank you to all the volunteers who have made everything possible. That being said, Easter is in March this year. The WOTM have scheduled our annual Children's Easter party for March 23rd. This is for all children, grandchildren, nieces and nephews of our members. Bring your kiddos to the Lodge for lots of fun. PS... we would love to have volunteers helping that day. Contact anyone on the Board to let us know you'll be helping us.

There are other fun things planned for March. Check them out in this newsletter. March 13th we will be casting our vote to elect a new Board of Officers for 2024-2025. Our March meeting is on the 13th at 5:45 PM. ** A quick reminder of the District 3 Meeting at Stanfield Lodge on April 6th , 1:00 PM.

Thank you
Judy Schmidt
Treasurer

Treasurer Message

Hello, you are on the Air !!!

All members should be aware that we are addressing the issues with our parking lot. We have had plans for over a year to widen, flatten our entrances, a few more Handicapped/Disabled parking spaces etc. It is a nice plan to accommodate our members. The Board has been aware of our members concerns about lighting. Thanks to Brother Ken King we have a new power pole to improve lighting. He is working with Brother Joe Parker to get this accomplished. We have quotes for the concrete work, painting, striping, etc. Our Administrator Steve Waters will head the coordination of those contractors needed to accomplish this job on time and on budget.

Now is the time: "Operation Curb Appeal"

Mission: Complete sidewalk entrance on front south side of building and doing necessary concrete/curb work on east side to accommodate all members and meet ADA requirements. Re-stripe (Paint all parking spots and curbs) and clean up our garden spaces.

So, now you ask...how do we accomplish this..... I hope to have detailed outline put together for a general meeting and or flyers. We need to start in early March so you will see a signup sheet.

It will entail pressure washing curbs, pulling the weeds, tilling a little dirt, hauling yard debris, and so forth. We can start on a couple Sunday afternoons and see how it goes. As we all know, if you maintain it, it is not that much work. We are shooting for early March when we do our yearly cleanup day. I think that every member who drives into our lodge should be proud of our "Appearance".

One last thing, you all are asking: "What am I going to get out of this hard work?" You will have the opportunity to enjoy fellowship, the feeling of accomplishment, and will just feel good about yourself. I can make sure that all volunteer's that day get a meal & drink. I will organize with our administrator to get all equipment we need to accomplish our project of the day (Steve need's a day off sometimes). We need "Team Members" See you soon on the signup sheet, and I got news for you, if no one signs up, we will still get it done. We are Moose Strong and we are Moose One! And we need donations \$\$\$ "OCA"

I hope this finds you and your families well.
