## *Administrator's Message*

Well it's the end of another fiscal year and we need to be appreciative of the work that president Leo and his board has done for us. They leave us in good shape and incoming president Chris Lenocker and the new officers should be able to keep the momentum going by building off of the efforts of Leo and his team. As for May events, we have a very full slate in the back room but we still saved room for bingo on 5/10 and 5/25. There won't be a May trivia night, however, but we've purchased a license to be able to show movies here so expect to see 1891 movie nights popping up in the near future. Our biggest community service event of the month is to provide food boxes for the less fortunate children at Margaret Scott elementary school. We don't ask for money very often but if you would like to contribute to this cause please let me know as these kids really could use our help. And, although unsolicited, a number of you made donations to help offset the cost of our recent flooding and to help with our ongoing beautification efforts of the grounds. It has helped us very much and is great to see that so many of you care so much about this lodge. To that point, the lodge clean-up day is on 5/19 so feel free to come down and put in a little work, both inside and out. There'll be lots of planting, trimming, cleaning, and whatever else we can do. Lunch will be provided, of course. Also on that weekend, we'll have a 40 yard drop box that you can utilize. We'll take everything from mattresses to refrigerators from 9:00 - 3:00 both Saturday 5/18 and Sunday 5/19 and it's free of charge as a service to you, our members. If needed, we can even arrange to pick up your items and haul them off - just try to schedule a little ahead of time please. Donations are happily accepted and be advised that things like tires, chemicals, and household waste aren't allowed.

Cathy Lovely and crew always do a great job with the Kentucky Derby on 5/4 and on Memorial Day we'll be opening at noon with tasty BBQ food beginning at 2:00. There will be a terrific no charge Mother's Day buffet on the 12th to honor all of the women in our lives so please don't miss out on that.

Looking slightly ahead to June 1st, please plan on joining us as we celebrate the very full life of Joe Parker. One of the all-time great people, Joe's loss has been very hard on a lot of us as he has been such a great friend and mentor to so many. We hope this will help Nancy and family and, indeed, all of us to heal from such loss. A full regalia Pilgrim ceremony will kick off the tribute beginning at 1:00.

Thank you

MEMORIAL DAY

### Memorial Day History

Memorial Day seeks to honor and remember those who died while serving in the military. This day aims to raise awareness about the nation's freedom and the price for that freedom. Every year, U.S. soldiers and their families pay that price.

Memorial Day is a day for reverence and honoring of those who gave their lives defending the Nation and its values. Congress declared it a national holiday in 1971. It is observed annually on the last Monday of May.

All gave some...  
Some gave all

Remember them this
