Presidents Message

Hello Moose family,

Summer is fast approaching, and we are excited to get outdoors and celebrate the sun.

Starting the month of June off is a Pilgrim memorial for our own Joe Parker starting at 1:00PM, all are welcome to attend.

Have you ever thought about getting your first aid card? Well, we will be having a class for first aid on June 13 630pm to 8. All are Welcome.

Not a lot lined up for June except for hot nights and yummy food every night at the Moose Lodge .

I would like to thank all the volunteers that came in at 6:30 - 7am on Mother's Day and cooked until 11:30 -12 o'clock because we had one of the most amazing Mother's Day turnouts. Thank you to our volunteer Moose bartender for serving up all those free mimosas with a paid breakfast.

We have a lot of events this summer. We are pushing really hard for the Rod Run as well as some other smaller activities to get more members involved in our community.

As your president, I would like to cordially invite you to our Lodge meetings the second and fourth Wednesday of every month where you can bring any questions or concerns you have in our Lodge. With that being said, it is a very knowledgeable session! You are more than welcome to purchase raffle tickets and cards that go towards food cards, and bar cards, just come and share the enjoyment with your Lodge board.

Thank You,
Christopher Lenocker
President

please join us for the Lodge Meetings June 12th & 26th at 6:30 PM

Women of the Moose Message

Welcome to summer!

It was so good to see so many of you at the May Chapter meeting. I am still in need of a Membership Chairman and a Higher Degrees Chairman. Let's fill these positions to keep our Chapter strong.

June 16 is Father's Day. There will be a breakfast buffet and Moose Dads eat free.

I hope to see you at our next Chapter Meeting, June 12th, at 5:30pm.

Thank you
Lois Stephenson
Sr. Regent

Administrator's Message

To me, the greatest value to becoming a moose is the relationships we get to create, often with folks from all walks of life that we probably wouldn't have gotten to know otherwise. Brother Joe Parker is one of those relationships I will always be especially thankful for. Please join us in celebrating his well-lived life here on June 1st at 1:00 and please carpool if possible.

Rebuilding Together is a national program that helps to fix up homes from people who aren't able to for a variety of reasons. Often they are seniors, widows, veterans, or handicapped. Members of our lodge have been taking part for years and our House Leader Ray Grahn wanted to express his appreciation for this year's crew, saying it was among the best he's ever had. They include John and Jan, Cheryl and Steve, Mike, and myself. We do it every April if you'd like to help out in the future.

Flyers are up around the lodge for this year's car show on August 17th. Pat Hankins will be running the show this year so please contact her if you have ideas or can help. She's a true car lady so I'm sure things will turn out great.

Save the date-and your donatable items-for the famous dollar sale here on July 13th. we'll have dozens of tables full of hundreds of items all to be sold for one dollar. I know I'm already setting items aside and also looking forward to some good deals.

It's amazing what a few well-intended members can accomplish around here. Folks like Marty and Karen Pinz, George Kuntzmann, and the Stephenson family are primarily responsible for the sudden beautification of our parking lot and landscaping. It's seems to be contagious as many others have started pitching in and things are actually looking pretty good. You may have noticed that the parking lot was restriped with additional handicapped spaces being added, too. The cost for that was donated by Sam McAllister, who directs the veterans' suicide awareness ride happening here on July 20th. It's a terrific and important event that we are quite proud to help Sam with. I encourage you to attend and help support if possible.

Once again, we're lucky to have some nursing students from OHSU teaching a short class on defibrillator use and disaster preparedness. It's happening on Thursday June 13th at 6:30 so if you can get your tacos eaten early you can join us in the back room for an hour or so and learn a few things to keep you and yours safe. There may even be some lovely parting gifts available. More details are here at the lodge and on the FB page.

Our primary community service event this month is putting together 50 food boxes for some of the underserved students from Margaret Scott Elementary school. Thank you to all who've already donated money so that we can fulfill our commitment to these kids. More is needed, however, if you are in a position to help, too. Easiest thing to do is to just stop by the office btw. Or...perhaps I'll see you at bingo on 6/7 and 6/22 , bunco on 6/2, new member orientation on 6/6, lodge memorial on 6/8, or even trivia night on 6/28. Pretty solid menu this month, too, including a free brunch to the 1891 fathers on the 16th.

Please know that President Chris and his new board are working hard to keep us an organization that we can be proud of. I know I am.

Thank you
Steve Waters
Administrator

THANK YOU ALL FOR THE GREAT WORK DONE APRIL 27TH FOR
REBUILDING TOGETHER.

Hello guys,

I do not have a lot to say, but I want you all to know that I'm very open for you to approach me with any concerns, problems or just frustration.

Moose lodge love,
Tiffany Lenocker
Vice President
