ATTENTION EVERYONE:

We have other things going on in the lodge, but they are private events that we don't post for everyone. So, just remember that when looking for event space; ask Steve if the date you would like is available or not. Please make sure you get it in the books with contact information before its too late. Please make sure Steve gets your deposit a week before event or the space may be given to another party (this is a business).
Thank You!

Chief Executive Officer's Message

The aroma of grilling burgers, the laughter of children enjoying the playground, and the chaotic symphony of cousins reconnecting—these are the hallmarks of a quintessential summertime family reunion. For many of us, these gatherings are more than just picnics; they're a time to share favorite memories, rekindle family bonds, and pass on that sense of belonging to our children and grandchildren. They remind us that even as life pulls us in different directions, there's always a place where we're connected, supported, and truly seen. It's that feeling of coming home, of being part of something bigger than ourselves, that truly makes these reunions special.

This same spirit of connection and belonging is something we've been celebrating with immense pride within our Moose Fraternity. Just as families grow and welcome new members, so too has our Fraternity experienced a remarkable fourth year of membership growth. This isn't just about numbers; it's about the ever-expanding circle of individuals who are choosing to be part of our mission of community service, camaraderie, and support. Each new member brings fresh perspectives, new energy, and a renewed commitment to our shared values. They strengthen our collective ability to make a positive impact in our communities and to uphold the rich traditions of the Moose. This growth is a testament to the welcoming atmosphere of our lodges, the dedication of our existing members, and the undeniable appeal of a community built on mutual respect and a desire to do good. It shows that in a world that can sometimes feel disconnected, people are actively seeking places where they can forge meaningful relationships, contribute to something larger than themselves, and find that invaluable sense of belonging. Just like a family reunion that expands with new spouses and generations, our Fraternity is thriving by embracing new members who share our vision. This ongoing growth is not just a cause for celebration, but a powerful motivator to continue our important work and extend the hand of friendship to even more individuals.

If you missed the International Convention in Milwaukee and time with your Moose family, don't worry, we captured all the key sessions on video and have it posted to our YouTube Channel. In addition to the four straight years of membership growth, a historic announcement was made about expanding our mission at Mooseheart. Check out the Opening Session to see how our Moose family is about to grow. We had some key officers installed, including Moose International Board Chairman John Reiter, WOTM Grand Regent Dawn Gark and International Moose Legion President Helton Shaw. Finally, all four categories of proposed General Law changes passed and will take effect of Friday, August 1, 2025.

Alright, all this celebrating has made me hungry. If you happen to be working the grill this summer, I love a good slice of cheddar cheese on my hamburger – let's eat! God Bless!
