Women of the Moose Message

Welcome to November!

This will be a relatively quiet month for WOTM activities. November 19th we will have a special higher degree meeting. This will be an open meeting, and all are invited to attend.

In preparation for Breakfast with Santa(12-13-25), I will post a sign up sheet so we know who is coming, and can make sure everyone receives a gift. Be sure to look for it starting November 14th. Also, a barrel will be available for toy donations.

November 29th is the Legion Dinner. We will again have a dessert cart that evening to accompany their meal.

Thank you,
Lois Stephenson
Sr. Regent

Please join us for our Chapter meeting November 12th. We would love to see you there!

VOLUNTEERS OF THE MONTH

*The Christmas
in October Crew*

A lot of you have commented on how nice our flower beds and grounds look and I totally agree. I've been around awhile and they've never looked better. These are some of the folks responsible: John and Jan rebuilt the fence, Randi waters everything nearly every day during the summer, Kathryn weeds and waters, Jerry and Lois take care of the roses and mow, Sandy created the patio flower box, Marty and Karen planted many of the flowers and laid out the rocky groundcover, George mows and weeds and sprays and everything else, and my son gets stuck raking and pruning fairly often. They aren't part of a committee, just a bunch of people who take pride in the lodge spontaneously. Pretty cool stuff and we're very appreciative.

If you didn't know, Daphne McLenithan has been chosen by our past presidents as the Moose of the Year. While you may see her around the lodge in the evenings helping out with anything and everything, it's the time she puts in during the day that I'm thankful for. So dependable and willing. She's a huge part of our success so please thank her for all she's done.

Speaking of success, I like to give a "state of the moose" type report at our sixth month mark. (Our fiscal year begins on May first). President Tiffany and her board have done a wonderful job keeping up with all that we do. We continue to receive the highest recognition possible for our community and charitable efforts and were just presented the coveted Premier Lodge Award from Moose International for the fourth year in a row. Our active membership is at its highest in a generation at 672 members and we're doing well financially. In short, the state of our lodge is really strong and only getting better. We hope you'll continue to support us as we forge ahead.

A few quick items to note: We're moved back into the office following the fires and we appreciate everyone's patience with the place being so disheveled lately. Please be here on Veteran's Day where we get to thank those who've served. It's a great night where we treat all member veterans and often get to hear some remarkable stories. The annual turkey shoot is on the 14th and it's a must see. We'll be raffling off a mountain of turkeys, dozens of desserts and baked goods, and have Ken's delicious meatloaf for dinner. If you haven't been here before, plan on going home with a turkey or two and having a good time doing it. Also, if you'd like the Moose Call mailed to you, just let me know via email, note, or whatever. We mail out almost 500 of these a month but always get a few back so please let me know if you've moved, also. BTW this is Nancy's 114th consecutive newsletter - that's 9-1/2 years of making this thing look so good. Another unsung hero to be sure. This is your lodge and we are grateful for your continued support.
