*Presidents Message*

Hello Moose family,

Merry Christmas and Happy New Years! 2025 has come to an end and 2026 is coming in hot! As a lodge, we have gone through a lot of sickness, distress, changes, and the next year we will continue the same thing, sickness, distress, and changes! We as a Moose Lodge are not just a Lodge, we are family and friends and we will stick together and go through our changes, because we are Moose strong. 2026 is our year, for changes and the better! I appreciate everybody who has volunteered to help the lodge, who has come together for all the different events and community activities that we hold all year long. I appreciate every single one of you!

I wish you all the best for 2026 !

Thank You,  
*Tiffany Lenocker*  
 President

Please join us for lodge meetings

January 14<sup>th</sup> & 28<sup>th</sup> at 6:30pm

God Bless

SR. REGENT.....LOIS STEPHENSON  
 SECRETARY.....SANDI WALLIS  
 TREASURER.....JUDY SCHMIDT

*Women of the Moose Message*

Happy New Year! December was a whirlwind of activities for us. The #1 activity was our annual Breakfast with Santa. We served breakfast for 45 children and their families. Each child received a gift with Santa and had their picture taken. Thank you everyone that contributed to making this event a success!

Looking forward to this month, we will start out with a WOTM dinner prepared by Lisa Stone. She will be making a Cheesy Chicken Casserole. I hear this is a delicious family comfort food, that is perfect for dinner on a cold January evening.

January 17th will bring a legion dinner to the lodge. The WOTM will provide a dessert cart to complete their meal. If you like to donate a dessert for this, please bring it to the Lodge by 4:30 that day so it can be plated for serving.

January marks the time to start thinking about running for office for WOTM. We will have our first nominating committee meeting on January 21st. If you would like to be considered for office, please put it in writing and place your request in the WOTM suggestion box by the front ladies restroom.

Our Chapter meeting will be January 14th at 5:30. All WOTM are eligible to attend, and we would love to see you there.

Thank you,  
*Lois Stephenson*  
 Sr. Regent

Please join us for our Chapter meeting

January 14<sup>th</sup> at 5:30pm. We would love to see you there!

**VOLUNTEERS OF THE MONTH**  
*All the Breakfast with Santa Elves*

### *Legion Message*

We collected lots of toys for Christmas again and would like Thank you for your help. The Children at Ronald McDonald's house should have a great Christmas thanks to Moose Lodge 1891. They were very Thankful. If you're a member of the legion, we welcome your help with our dinner, January 17<sup>th</sup> and if your not a Legion member; please come down for dinner and support us. We hope to see all our Legion members at our meeting on the 14<sup>th</sup> of January at 6:00pm. Thank you

**No hibernating thru winter  
Come down to your lodge  
Enjoy and support it**

**Me:** What's the wifi password?  
**Bartender:** You need to buy a drink first.  
**Me:** Okay, I'll have a coke.  
**Bartender:** Is Pepsi okay?  
**Me:** Sure. How much is that?  
**Bartender:** \$3  
**Me:** There you go. So, what's the wifi password?  
**Bartender:** You need to buy a drink first.

5 Preventive Health Screenings offered by Life Line Screening

- 1 Carotid Artery Screening (Flapex)**  
Ultrasound evaluation of the carotid arteries that screens for buildup of fatty plaque - one of the leading causes of stroke
- 2 Peripheral Arterial Disease Screening**  
Doppler ultrasound and blood pressure measurements to check for peripheral arterial disease (plaque buildup) in the lower extremities.
- 3 Abdominal Aortic Aneurysm (AAA)**  
Ultrasound is used to screen for the existence of an aneurysm (enlargement) in the abdominal aorta that could lead to a ruptured aortic artery.
- 4 Ankle Brachial Index**  
A quick and easy test using 200 MHz ultrasonic waves on the arms and legs to identify the presence of an irregular heartbeat at the time of screening. Ankle Brachial Index increases the risk of stroke by 3 times.
- 5 Osteoporosis Risk**  
An ultrasound measurement of the shin bone to determine abnormal bone mass density.
