Presidents Message

Well Moose Family, What a Year It Has Been!

This year I focused on bringing new energy and activities to our lodge. We hosted a Sock Hop, Paint-N-Sip nights, and an ice cream social, while also bringing back favorites like our Veterans Day celebration and a fantastic New Year's party to welcome 2026. While we celebrated many great moments together, we also faced some difficult times with illness, hardship, and loss.

Serving as President has truly opened my eyes. I've learned a great deal, met many wonderful members, and developed an even deeper appreciation for our lodge and what we accomplish together. I'm proud to share that our membership has grown this year—an important sign of a strong and thriving lodge.

None of this would be possible without Steve Waters and our amazing volunteers. From our bartenders, cooks, and wait staff to our landscapers, janitorial staff, event team, board members, and the Women of the Moose—your dedication and hard work keep our lodge running and growing. I am sincerely grateful for everything you do.

I had the privilege of meeting two Moose members from California, Kurt and his wife Liz, who came to town under difficult circumstances to handle the passing of Kurt's sister. Despite their loss, they showed incredible generosity—donating kitchen supplies, raffle prizes, gifts for the Women of the Moose Christmas program and Margaret Scott Elementary, and contributions to a local women's shelter and transition program. Moments like this remind us what the Moose is truly about—community, compassion, and supporting one another.

It's has been an honor to serve as President of our lodge!

Thank You,
Tiffany Lenocker
 President

Administrators Message

If you didn't know, April 30th is the end of our fiscal year. So, I usually like to do a bit of a retrospective from the previous 12 months and, let's just say, it's been eventful. We're finally fully recovered from last summer's arson and all of the fun insurance and contractor issues that came with it. You'll never know how appreciative we are for everyone's patience and unsolicited donations btw. Another highlight is that our membership continues to grow to the point where we are nearing 700 active members - up 80 from last year. Much of this is due to having a truly dedicated Board of Officers and so many terrific volunteers. And, you've probably noticed that we've emphasized quality, affordable meals which folks seem to appreciate. This focus was brought about by suggestions from the membership and was implemented by our all-star social quarters manager Ken King and his capable staff of volunteers. So, please keep giving us your feedback and suggestions - we will listen and do our best. That, and the many activities that we continue to offer have really helped in retaining existing members and attracting new ones. So, thank you for supporting us with your dinner choices and for sharing the Lodge with your friends. We've had an impressive 67 different sponsors sign up 152 new members since 5/1/25. If you're not sure how to sponsor a new member just ask one of us or consider using the on-line application at mooseintl.org.

While we say goodbye and give thanks to President Tiffany and all that she and her board have accomplished, with the new year we get to welcome in our new President, Jeremy Stephenson and a few new officers. Jeremy is taking over after having served as Vice President. He's proven his dedication to our lodge and our mission of making a positive impact on our community and I'm confident he, too, will be great for our fraternity. Realize that he will need help, however. So, if you think you can find the time to assist him on a committee or project please do.

In the short term, I'm looking forward to another terrific Easter brunch, cheering on the 1891 Little League team, and getting to award \$4,000 worth of scholarship money to some deserving high school graduates - there's still time to apply by the way so look for details for this in the lodge. Always remember, too, that you need to look at this place as a resource for you. If you need to borrow some tables or chairs, maybe a wheelchair or walker, get some ice for that picnic, or book some time in the back room for an event we're here for you. Thanks again for a great year and stay tuned for some exciting new offerings as we gear up to do it all again with your help.

Thank You,
Steve Waters
