Happy New Year Moose Family!

I am very honored to take on the role of your President as we begin this year.

The board has many great activities lined up as we head into summer. Events such as Ride 22, The Annual Dollar Sale, and The Cruise In are all on the horizon. More details on these to follow.

Coming up this month I want to wish all the golfers the best of luck as they represent 1891 at the OMA Golf Tournament at Crooked River. We will also be having our Sock Hop on May 30th.

We have a variety of committees that could use your help and support, if interested please visit with any member of the board.

I look forward to hearing your ideas and suggestions at the Spaghetti Feed Feedback night May 13th.

I hope to see many of you at our General Meetings May 13th and 27th.

This my 120<sup>th</sup> Moosecall edition. I've been doing this for 10+ years, every month except a couple months during Covid. Every month I beg for information, the who, what, why and where for events and information you need to support your lodge, Mooseheart, Moosehaven and our community. I also do the Readerboard(114<sup>th</sup> Edition)on the TV above the Bar.

While I'm not a writer, editor, or any kind of news person, I've tried my best to make it something people will read. I have been through the loss of my husband (Joe Parker), three rounds of cancer, loss of a granddaughter... I'm tired. If you do like having these two items to look at, I'm going to need some encouragement to keep doing them. Please support the lodge in their endeavors and let me know that you are indeed reading them and wish them to continue.

Thanks for listening,

Memorial Day seeks to honor and remember those who died while serving in the military. This day aims to raise awareness about the nation's freedom and the price for that freedom. Every year, U.S soldiers and their families pay that price. Memorial Day is a day for reverence and honoring of those who gave their lives defending the Nation and its values. Congress declared it a national holiday in 1971. It is observed annually on the last Monday of May.
