Presidents Message

It's July already, I hope everyone is staying cool out there. If you're not, remember the lodge has air conditioning, and lots of cool drinks. If you want to spend some time at the lodge and outside, the patio door has been repaired so the patio is open once more.

It's going to be a busy month. As July begins, I will be in Oklahoma City representing the lodge at Convention. I'm looking forward to this trip and all the things I can learn and bring back to the lodge.

Pitmaster Ken, and his team, will be doing a rib feed for the 4th of July. Lodge will open at 1pm, so come in early, and come hungry.

July 11th we will be hosting the District 3 Meeting at 1pm. These meetings are a great way to learn about what our lodge, and other lodges in our area are doing. Everyone is invited to attend, and I would really like our lodge to have a strong showing as we host this event.

July 18th we have Ride 22, to help support Veteran Suicide Awareness. This is a great cause and lots of fun every year. Even if you don't ride, I encourage you to come in early and cheer the riders as they depart on their journey. There is nothing like the roar of the motorcycles as they leave the lot. There will be a spaghetti feed when the riders return.

Rounding out the Saturdays of the month, July 25th is our annual Dollar Sale. You see it, you like it, you want it, you can have it for \$1. We have so many treasures out there each and every year. Details will be coming out very soon about how you can donate your items to the sale. Keep an eye on our Facebook page for more information.

With so many events happening, the need for volunteers is even greater than it has been before. If you're interested in helping out, please reach out to myself or any member of the board and we can get you all set up. Our lodge is run by volunteers and you really can make a difference.

General Lodge meetings will be July 8th and 22nd at 6:30pm. I hope to see you there.

Thank You,
Jeremy Stephenson
President
