Presidents Message

Hello again and welcome to the dog days of summer! We've had some amazing weather so far this summer and I hope you are enjoying the nice weather with family and friends.

I had a good time at Convention last month in Oklahoma City. I was able to talk to people from other lodges from across the country, attended some classes, and learned a great deal about our wonderful organization. We are closing in on our 1,000,000th member, and there will be some amazing prizes available to that special member, their sponsor (that could be you), and the home lodge (hopefully us!) there will be prizes for other milestones along the way. Information will be posted on the communications board and presented at our General Meetings (hint hint-come to the meetings)

August 15th we are hosting our annual Cruise-In. This is always a fun filled day. Expect to see many amazing cars from all decades, and have a chance to win one of many wonderful raffle prizes.

August 29th will be the return of our Lodge Picnic, sponsored by The Legion. This will be a fun filled day with good food and fun games. More details to come as we get closer, but trust me, you are not going to want to miss this!

We're still looking for volunteers to help out in various roles within the lodge. The kitchen could always use a little help, especially on Friday nights. Please talk to a board member if you are interested in helping out.

General Lodge Meetings will be August 12th and 26th at 6:30 pm, I hope to see you there.

Thank You,
Jeremy Stephenson

Women of the Moose Message

Dear Members,

I hope everyone is having a wonderful summer. Please keep an eye on your calendar for upcoming events.

I would like to thank Katy Hurliman for stepping up to help our past Senior Regent, Lois Stephenson, with Bar Bingo while she recovers from knee surgery. Lois's recovery is going very well, and she will be back to calling Bar Bingo on Thursdays very soon.

Please note that the WOTM will be serving dinner on August 8th, and our next Chapter meeting will be on August 12th. We hope to see many of our WOTM members there.

Thank you,
Daphne McLenithan
Sr. Regent

If I had my life to live over

I would have gone to bed when I was sick instead of pretending the earth would go into a holding pattern if I weren't there for the day. I would have taken the time to listen to my grandparents ramble about their youth. I would have talked less and listened more. I would have invited friends over to dinner even if the house wasn't spotless. I would never have insisted the car windows be rolled up on a summer day because my hair would get messed up. I would have sat on the lawn and not worried about grass stains. I would have cried and laughed less while watching television and more while watching life. I would never have bought anything just because it was practical, or was guaranteed to last a lifetime. I would have burned the sculpted candle before it melted in storage. Instead of wishing away nine months of pregnancy, I'd have cherished every moment and realized that the wonderment growing inside me was the only chance in life to assist God in a miracle. There would have been more "I love you's" and more "I'm sorry's." But mostly, given another shot at life, I would seize every minute, look at it and really see it...live it and never give it back.

STOP SWEATING THE SMALL STUFF!

Don't worry about who doesn't like you, who has more, or who's doing what. Instead, let's cherish the relationships we have with those who do love us.

LIFE IS SHORT AND THERE ARE NO DO OVERS!!!
